AUSSIE HOPS AA (%) CHARACTERISTICS

CASCADE	7-9	A stronger floral and resin presence than American Cascade. Slightly spicy citrus with grapefruit and peach.
CLUSTER	6-7	Characterised by a strongly resinous but balanced bitterness. Popular in Australian Bitter styles.
ECLIPSE	17-18	Bursting with sweet mandarin, zesty citrus peel and fresh pine needles. A consistent mandarin character.
ELLA	16-17	A mix of floral and spicy notes such as star anise and licorice, with a hint of grapefruit.
GALAXY	17-19	The superstar Aussie hop, Galaxy is beloved for its distinct citrus character with bold passionfruit notes.
P.O.R.	10	A classic and widely used variety, popularised by Sparkling Ale and Australian lagers. Fruity and herbal.
SUPER PRIDE	15	The mother of Pride of Ringwood, Super Pride offers efficient bittering with mild woody aromatics.
TOPAZ	20-21	Bright and breezy, Topaz shines in sessionable ales. Lychee and peach aromatics when used in late additions.
VIC SECRET	19-20	Bright pine and tropical notes of passionfruit and pineapple. Great in juicy and fruity styles.

USA HOPS AA (%) CHARACTERISTICS

◆ AMARILLO	7-9	Intense & pungent with notes of red grapefruit, orange and tropical fruit. A classic pale ale hop.
Aroma HBC 1019	8-10	A new experimental variety offering honeydew melon, peach, tropical fruit and candy.
AZACCA	12-13	A pleasant mix of tropical fruit kissed with citrus. Mango, pineapple and some pine-like qualities.
BRU-1	14-15	An unmistakable pineapple punch and a unique flavour of green fruit and freshly cut pineapple.
◆ CASCADE	6-7	The classic US hop with famous grapefruit and floral notes.
CASHMERE	7-8	An intoxicating aroma of melon and lime. A high humulene content provides smooth bitterness.
◆ CENTENNIAL	9-10	AKA Super Cascade, Centennial offers dominant citrus with undertones of lemongrass and pine.
CHINOOK	12	Potent but with a smooth bitterness, Chinook gives strong notes of grapefruit, resin and pine.
CITRA ◆	12-13	Unmistakable, lush tropical and citrus notes. Our most popular hop, Citra is distinctive and intense.
COLUMBUS	14-16	A classic " dank " variety, Columbus gives off pungent notes of black pepper, licorice and citrus.
EKUANOT	15	Pronounced notes of citrus, papaya, apple and pepper. A unique hop with a diverse aroma profile.
◆ EL DORADO	14-15	El Dorado elicits fruity notes of watermelon, pear, and stonefruit.
◆ IDAHO #7	13-14	A great dry hop option due to its potent aroma of apricot, orange, and black tea. Resinous and bold.
LEMONDROP	4-6	A unique lemon-citrus character. Pleasant, with notes of mint, green tea and melon.
MCKENZIE	10-12	A centennial hop on steroids. A bright and fruity mixture of citrus, stonefruit, pine and grapefruit.
◆ MOSAIC	11-12	Bold notes of blueberry and mango, Mosaic makes for a brilliant single hop.
SABRO	14-15	Unmistakable notes of coconut, lychee and stonefruit. Robust and expressive.
◆ SIMCOE	11-12	A unique pine like aroma with passionfruit and citrus. Stands up as a great single hop.
STRATA	14-15	Best described as passionfruit meets pot, Strata brings layered notes of tropical fruit and berries.
WARRIOR	13-15	A smooth bittering hop, Warrior offers notes of bright citrus, honeysuckle and sweet herbs.
WILLAMETTE	5-6	Willamette offers mellow notes of wood, resin and dried fruit. Works well in amber and brown ales.

◆ Available as advanced pellets

NZ HOPS AA (%) CHARACTERISTICS

DR RUDI	10-12	Delivers a quality crisp bitterness with classic resinous pine and lifted citrus characteristics.
MOTUEKA	5-7	A unique variety popular in new world lagers, offering a distinct lime note with floral aromatics.
NECTARON	10-12	Nectaron provides an intense mix of distinctive pineapple, stonefruit, and citrus. A great single hop.
NELSON SAUVIN	12-13	A hop with distinct white wine characteristics, Nelson gives off notes of fresh crushed gooseberries.
PACIFIC JADE	13-14	Soft bittering with fresh citrus and a complex spice character.
RAKUA	10	"The Whole Orchard" – Rakau offers a heady mix of apricot, peach, fig, melon and resin.
RIWAKA	4-5	A gutsy hop with powerfully fuelled tropical passionfruit. Riwaka is big, dank and intoxicating.
SUPERDELIC	9-11	A unique oil profile offers flavours and aromas reminiscent of red fruit, candy and citrus.
WAI-ITI	2	An incredibly low alpha content allows for creative use in late additions. Bright lime and stonefruit aroma.

GERMAN HOPS AA (%) CHARACTERISTICS

HALLERTAU BLANC	8-9	Shares some similarities with Nelson Sauvin, with notes of gooseberry, passionfruit and cassis .
HALLERTAU MITTELFUEH	3-5	The signature noble hop, offering a mild and elegant floral aroma and a hint of spice. A classic lager hop .
HERSBRUCKER	2-4	Hersbrucker offers a stronger spice-forward profile than Hallertau MF, with some herbal notes .
MAGNUM	10-13	Magnum offers subdued floral notes and smooth bitterness . A widely used bittering hop.
MANDARINA BAVARIA	8-10	A tangerine machine when used in late additions, with notes of pineapple, citrus, and a herbal finish .
NORTHERN BREWER	6-8	A predominantly spicy hop with a complex profile of blackcurrant, mint, and some woody notes .
PERLE	7-8	A bright and aromatic hop, giving off notes of mint and floral character . Spicy in big additions.
SAPHIR	2-3	A perfect balance between spicy, floral and fruity elements. Soft bittering with a berry-like aroma .
SPALT SELECT	5-6	A spicy lager hop , its subdued character makes it a great choice for Kolsch, German and Belgian lagers.
TETTNANG	2-4	A complex noble hop with a mix of floral, fruity and spicy - notes of herbs, dried flowers, and black tea.

EUROPEAN HOPS AA (%) CHARACTERISTICS

SAAZ (CZ)	2-4	The indispensable Bohemian hop, Saaz possesses a mild but spicy, herbal, vivid and woody character.
STYRIAN GOLDINGS (SL)	3-5	Invitingly earthy and resinous , Styrian is a popular hop in Belgian styles and has an unmistakeably spicy quality.

UK HOPS AA (%) CHARACTERISTICS

CHALLENGER	6-8	A traditional hop for all English ales, Challenger offers a bright, evergreen and meadowlike quality as a dry hop.
EAST KENT GOLDINGS	5-6	The queen of English hops, EKG gives a refined floral character to beers, with an herbaceous, earthy undercurrent.
FUGGLES	4-6	A workhouse hop with an upfront earthy and woody quality. Fuggles offers notes of tree fruit and has an earthy-sweet quality
